

SPEECH

Once again I want to thank father for celebrating with us this mass.

On behalf of my fellow students, I would like to thank you father for everything you have been doing for us since we came this academic year up to date. As of now we are about to live. Every one of us will be going back home for holiday. Though we are going father, to say the truth we are crying inside our hearts because we will miss you very much. We may say that the holiday is short but missing has no limit. We are going to miss you. To our teachers, Patron and Matron, we are going to miss you too.

I hope we are going to keep the pieces of advice you have given us. In addition to this, I hope our parents will appreciate for the spiritual behavior that we have learned here. Somehow some of us we were not well behaved students but now we are able to see which is good or bad and we are good children of God. As we know, everybody learns through mistakes. Whenever we were wrong you were advising us, so father thank you for your spiritual support.

Finally I'm wishing you a very good holiday and a happy Easter holiday. See you next academic session.

GOOD BYE!!!
